

Directions: Take one capsule with a large glass of water on an empty stomach (30-60 minutes before or 2 hours after a meal) once per day or as directed by your healthcare practitioner.

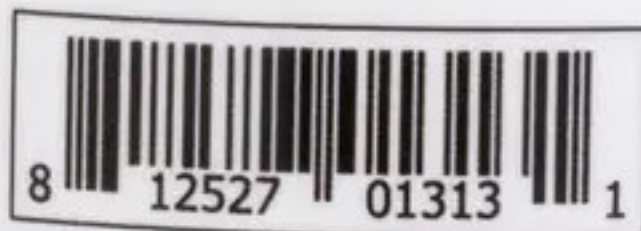

Serrapeptase HP™ is a powerful systemic enzyme which supports respiratory and sinus health.* This formula is enteric-coated to survive the acidic conditions of the stomach, promoting optimal absorption.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: If you are pregnant, nursing or taking any medications, consult your doctor before use. If any adverse conditions occur, discontinue use and seek medical attention. Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place. Avoid excessive heat.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
