

DIRECTIONS: Take two capsules twice daily, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, and individuals using blood thinners should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Saloxicin™ is formulated to support the body's normal response to inflammation and provide relief for joint discomfort. 5-LOXIN®, a patented *Boswellia* extract yielding concentrated 3-O-acetyl-11-keto-β-boswellic acid (AKBA), is found to inhibit the 5-lipoxygenase enzyme. Salicin from white willow bark is a natural inhibitor of both the COX-2 and 5-lipoxygenase enzymes. Bioflavonoid-rich BerryVin™ provides additional support for cytokine balance and antioxidant activity.*
