**DIRECTIONS:** Take one softgel daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner before use. Do not use if tamper seal is damaged.

A wealth of research supports the synergistic, powerful antioxidant activities of the combination of vitamin E and selenium. Vitamin E reacts directly with free radicals, while selenium is needed for glutathione peroxidase which prevents the formation of reactive oxygen metabolites by removing the reactants, water, and oxygen. These activities have been shown to benefit cardiovascular, neurological, and immune health.\*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**STORAGE:** Keep tightly closed in a cool, dry place out of reach of children.

**DOES NOT CONTAIN:** Wheat, gluten, dairy products, fish, shellfish, peanuts, egg, artificial colors, artificial sweeteners, or preservatives.

# XYMOGEN®

EXCLUSIVE PROFESSIONAL FORMULAS

**Pharmaceutical Grade • Professional Use Only**  
**60 Softgels**
