DIRECTIONS: Take two capsules two to three times daily, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not take SerenX™ if you have any condition to which these botanical ingredients would be contraindicated. Do not use if tamper seal is damaged.

SerenX is a concentrated form of a traditional Chinese botanical formulation designed to help maintain balance between body systems and promote a sense of inner calm. Used historically and in present-day China, this combination of herbs helps support endocrine function and a healthy response to stress. This herbal blend is often used by individuals having difficulty resting or those with exhausted physical reserves.*
