

ABSOLUTELY NO FILLERS ADDED

CarbGest The enzymes in **CarbGest** are ideal for those that have phenol sensitivities or vegetarians who favor carbohydrate rich meals with small amounts of protein.* **CarbGest** contains a high potency custom blend of phenol-targeting enzymes which enhance the digestion of phenolic foods and carbohydrates.* Phenols are primarily found in fruits, vegetables, flavorings, and artificial additives.

Recommended Usage: Take one capsule of **CarbGest** with each meal. For phenol sensitivities, dosage can be adjusted according to individual needs. One capsule may also be opened and mixed with food, when desired. Safe for children.

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
