**DIRECTIONS:** Take two capsules four times daily for one to three days as directed by your healthcare practitioner, then reduce dosage as directed by your healthcare practitioner. Do not open capsule before consumption. Recommended for short-term use.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Consult your healthcare practitioner if you have uncontrolled hypertension. Do not use if tamper seal is damaged.

**Viragraphis™** features three herbs that have been used traditionally for immune support and stimulation. Contemporary research on these herbs—andrographis, licorice root, and *Isatis indigotica*—confirms the wisdom of their historical use. XYMOGEN's Viragraphis formula may be especially helpful in supporting cytokine balance and respiratory function.\*
