

Directions: As a dietary supplement, take one capsule, one to three times daily, on empty stomach or at bed time with water, or as prescribed by your health care professional.

Adult Formula CP-1: is a proprietary blend of five highly viable strains of live microorganisms, with a total count of 50 billion Lactobacilli and Bifidobacteria per capsule guaranteed at the time of expiration. Most specific for the small and large intestines.

Probiotics: Lactobacilli and Bifidobacteria are food or dietary supplements generally termed as probiotics. The word probiotic is derived from the Greek meaning "for life".

STORAGE: Keep refrigerated to retain maximum potency.

DO NOT USE IF SEAL IS BROKEN.
