ABSOLUTELY NO FILLERS ADDED

Gastro assists in the digestion of gas-forming foods such as beans, grains and raw vegetables. This helps to reduce the common discomforts often associated with these foods while helping to fully benefit from their nutritional value.*

Recommended Usage: 1 capsule at the beginning of each meal. More may be taken as needed.

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
