

Optimal health starts in the gut. This requires an abundance of good bacteria and an environment that allows the bacteria to continually flourish.

Truehope greenBAC™ is a unique blend of beneficial bacteria, enzymes, botanicals, and other nutrient-rich ingredients designed to maintain and promote a healthy digestive system. Each capsule contains hundreds of millions of beneficial bacteria[†] as well as plenty of prebiotics that help bacteria thrive.*

Suggested Use: Start with 1 or 2 capsules per day. Increase dose until optimum results are achieved, then reduce to a maintenance dose that's right for you - about 3 to 6 capsules per day. Store in a cool, dry place. Consult with a physician prior to use if you have any serious health concerns.
