Our **NON-GMO** (Genetically Modified Organism) **Ultimate Soy-Spirulina Protein Powder®** is certified by Solae (makers of SUPRO®) to be produced in accordance with the certified Identity Preservation Program (IPP). The soybeans grown under this program are closely monitored at each stage to ensure the crop is free of DNA modification. IPP guidelines have been developed to assure that the identity of the crop is maintained throughout the system. This includes monitoring the seeds, planting, harvesting, transportation, elevation, processing, and production. Third party verification is used to certify this process.†

Our soy protein powder comes from soybeans grown and processed in the USA.

Diets low in saturated fat and cholesterol that include 25 grams of soy protein a day may reduce the risk of heart disease. Each serving of NON-GMO Ultimate Soy Protein Powder® provides 15 grams of soy protein.
