Repair Gold has been formulated to work synergistically with the body's own mechanisms of renewal. It contains a vegetarian blend of protein digesting enzymes which support muscle, tissue and joint function.* The added benefits of Serratiopeptidase (Serrapeptase) include healthy inflammatory response and cardiovascular support.*

Recommended Usage: 2 capsules 2-3 times per day at least 1 hour before or 2 hours after a meal. Repair Gold may be taken before and after strenuous exercise to encourage accelerated recovery and repair.* More may be taken as needed.

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
