

ABSOLUTELY NO FILLERS ADDED

ViraStop™ contains an exclusive blend of eight different proteolytic enzymes for digesting protein, more than any other formula on the market. This combination supports healthy immune function by assisting the body in purification as a result of breaking down cellular debris and undigested protein.* Also available in double strength.*

Recommended Usage: For maintenance, 1 capsule, twice a day, 1 hour before or 2 hours after a meal (empty stomach). For therapeutic purposes, ViraStop may be taken 3-4 times per day. More capsules may be added as needed.*

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion.* When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.*

Consult your physician prior to use if you are pregnant or nursing.
