Catnip Liquid Extract

Ingredients: certified organic alcohol (52-62%), vegetable glycerin & Catnip extractives. **GLUTEN-FREE**

Fresh herb / menstruum ratio: 1: 1.5

We prepare our Catnip Extract from the fresh (undried) leaf & flowering tops of *Nepeta cataria* plants which are **Certified Organically Grown** on our own farm.

To assure optimal extraction of Catnip's bioactive compounds, the plants are hand-harvested when in full flower, are cleaned of superfluous stems, and are then thoroughly extracted while still fresh and succulent.
