

Food intolerances and diet can result in digestive discomfort. TriEnza® supports the digestion of food proteins (including gluten, casein and soy), carbohydrates, sugars (including lactose), fats, polyphenols and fiber.†

Suggested Use: Two (2) capsules at the beginning of each meal.

Capsules may be opened and contents mixed with food or beverage.

Use care not to inhale enzyme powder. TriEnza may be taken with other Houston Enzymes products.

TriEnza was developed by
Dr. Devin Houston, PhD
Enzyme Biochemist

Do not use if tamper-proof seal is broken. Keep container closed and store at room temperature or in freezer, but do not place in refrigerator due to humid conditions.
