ALLMAX® SPORT

MUSCLE BUILDER*

ADVANCED PROTEIN*

20 GRAMS MUSCLE-BUILDING* PROTEIN Per serving

ALLPRO™ ADVANCED PROTEIN*

SUGGESTED USE: Blend, mix or shake 1-2 scoops in approx. 6-8 oz of cold water or low-fat milk per scoop immediately before consumption. Ensure to drink enough fluid before, during, and after exercise.

Incredible Tasting Protein!

Introducing ALLMAX® Sport — ALLPRO™ Advanced Protein.*

ALLPRO™ Advanced Protein has been formulated to contain everything you need to fuel muscle growth and recovery after grueling workouts.* ALLPRO™ has been sourced from an optimal ratio of Whey and Milk Proteins with no added aminos. ALLPRO™ mixes instantly in ice-cold water or milk and tastes like a delicious milkshake and it features low fat and zero added sugars[9]!*

With unparalleled Quality and Flavor, make the right choice, choose ALLPRO™!

ALLPRO™ **Advanced Protein** helps prevent post-training muscle breakdown by putting your body in an anabolic state (increasing muscle synthesis).*

Consume ALLPRO™ immediately following your workout. On days that you do not workout, take upon waking.
