

GLUCO-FX is designed to assist your body to more efficiently utilize the carbohydrates you consume as fuel and not store them as fat. Our bodies are energy storing machines and as we age or overeat, our bodies get more efficient at storing carbs as energy for utilization at a later date. This energy is stored as fat, highlighted in the body-conscious areas, primarily our stomach or hips. **GLUCO-FX** assists body by shuttling these ingested carbs to muscle cells rather than stomach or hips leaving your muscles feeling fuller.*

It is ideal to supplement with **GLUCO-FX** when you have a higher carb or higher fat meals or cheat meal on a strict diet. It also works well if you're on a bulking diet and want a leaner bulk.*

WARNINGS: Not for use by individuals under the age of 19. Do not use if you are pregnant or breastfeeding; allergic to members of Lythraceae family; or difficulty swallowing. Consult a health care practitioner prior to use if you are taking diclofenac medication, have liver disease, impaired kidney function or kidney disorder, intestinal disorders (or symptoms such as abdominal pain, nausea, vomiting or fever), leucopenia, hypertension and/or diabetes. If you experience chest pain, vomiting, or difficulty swallowing or breathing after taking the product, seek immediate medical attention. This product may cause loose stools, flatulence, diarrhea and abdominal discomfort. Discontinue use and consult a health care practitioner if you experience symptoms of hypoglycaemia including feelings of anxiety, dizziness, tremor, sweating, nausea or headache; gastrointestinal discomfort such as constipation, vomiting, abdominal pain or diarrhea. Hypersensitivity is known to occur in which case discontinue use. Store in a cool and dry place away from excessive heat or moisture. Do not use if inner seal is broken. KEEP OUT OF REACH OF CHILDREN.

CALIFORNIA WARNING: Lead is known to the State of California to cause birth defects or reproductive harm. Consuming this product can expose you to more than 0.0000005 g of lead. For more information go to www.P65Warnings.ca.gov.

ALLERGEN WARNING: Produced in a facility that also handles Milk, Soy, Egg, Peanut, Tree Nuts, Sesame, Fish, Crustacean and Shellfish products.
