HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)

Chickweed Liquid Extract

Ingredients: certified organic alcohol (65-70%), distilled water & Chickweed extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Chickweed Extract from the flowering aerial parts of *Stellaria media* plants which are **Certified Organically Grown** or **Sustainably Wildcrafted** in their native habitat.

To assure optimal extraction of Chickweed's bioactive compounds, the herb is hand-harvested while in flower, is carefully shade-dried to retain its full color & aroma, and is then thoroughly extracted.
