Plant Protein Isolate

ISOPLANT™

- **PLANT PROTEIN ISOLATE** – Each serving contains 20 g of 100% pure protein made with plant protein isolate. No inferior plant concentrates which are lower in protein, higher in carbs, and have a “gritty” aftertaste.*
- **COMPLETE AMINO ACID PROFILE** – Plant proteins often have insufficient levels of one or more Essential Amino Acids (EAAs). By combining a precise dose of Pea Protein Isolate, Brown Rice Protein Isolate with added BCAAs, ISOPLANT™ contains a truly complete protein source.*
- **DELICIOUS TASTE** – By using the latest protein extraction technology, we removed excess carbohydrates, polysaccharides, gums and fibers which give traditional plant proteins that gritty, earth-like taste.* ISOPLANT™ mixes easily and tastes delicious like traditional whey protein isolate shakes.
- **6 G BCAAs** – Plant proteins are naturally low in BCAAs which are needed for muscle growth and recovery.* †Each serving of ISOPLANT™ contains 6 g of BCAAs (4 g naturally occurring + 2 g added).
- **LAB TESTED INGREDIENTS** – Every ingredient in ISOPLANT™ is lab tested before it's made to ensure purity and product freshness.*
- **HIGH IN IRON** – Plant proteins are often low in iron compared to meat sources which can lead to mineral deficiencies.* Just 1 serving of ISOPLANT™ contains 33% of the Daily Value (DV) for Iron.*
- **ZERO ADDED SUGAR** – Contains less than 1 g of sugar (naturally occurring).
- **LOW FAT & ZERO CHOLESTEROL** *

LOT: 7672
EXP: 07/2024

* Based on Chocolate Flavor. Vanilla contains 28% of Daily Value (DV) for Iron.

UNSURPASSED: The ALLMAX® Quality Guarantee

Every ingredient added and every lot produced is laboratory-tested for purity and potency to ensure consistent product quality and integrity every time, guaranteed.

ISOPLANT™ goes through the exclusive ALLMAX 5-Stage Quality Testing protocol. In fact, we're so confident in the quality of our product that it's completely guaranteed.

Test our product; we guarantee it passes every time or we pay for your testing and refund your purchase. You won't find anyone else willing to stand behind their product with this guarantee.

SUGGESTED USE: Blend, mix or shake 1 scoop in approx. 8 oz of cold water or low-fat milk immediately before consumption. Ensure to drink enough fluid before, during, and after exercise.
