

ISOPLANT™ – Plant Protein Isolate

20 G PROTEIN¹
WITH
6 G OF BCAAs[†]

TASTES DELICIOUS
LIKE TRADITIONAL
PROTEIN SHAKES

SUSTAINABLE
EARTH-FRIENDLY
INGREDIENTS*

- **PLANT PROTEIN ISOLATE** – Each serving contains 20 g of 100% pure protein made with plant protein isolate. No inferior plant concentrates which are lower in protein, higher in carbs, and have a “gritty” aftertaste.*
- **COMPLETE AMINO ACID PROFILE** – Plant proteins often have insufficient levels of one or more Essential Amino Acids (EAAs). By combining a precise dose of Pea Protein Isolate, Brown Rice Protein Isolate with added BCAAs, ISOPLANT™ contains a truly complete protein source.*
- **DELICIOUS TASTE** – By using the latest protein extraction technology, we removed excess carbohydrates, polysaccharides, gums and fibers which give traditional plant proteins that gritty, earth-like taste.* ISOPLANT™ mixes easily and tastes delicious like traditional whey protein isolate shakes.
- **6G BCAAs** – Plant proteins are naturally low in BCAAs which are needed for muscle growth and recovery.* † Each serving of ISOPLANT™ contains 6 g of BCAAs (4 g naturally occurring + 2 g added).
- **LAB TESTED INGREDIENTS** – Every ingredient in ISOPLANT™ is lab tested before it's made to ensure purity and product freshness.*
- **HIGH IN IRON** – Plant proteins are often low in iron compared to meat sources which can lead to mineral deficiencies.* Just 1 serving of ISOPLANT™ contains 33% of the Daily Value (DV) for Iron.*
- **ZERO ADDED SUGAR[‡]** – Contains less than 1 g of sugar (naturally occurring).
- **LOW FAT & ZERO CHOLESTEROL***

+ Based on Chocolate Flavor. Vanilla contains 28% of Daily Value (DV) for Iron.
