Supplement Facts

Serving Size 2 VegCaps
Servings Per Container 50

	Amount Per Serving	% Daily Value
Hawthorn (<i>Crataegus oxyacantha</i>) (berry)	1,050 mg	*

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Magnesium Stearate, and Rice Extract Blend.

Discussion: Hawthorn, also known as mayflower or may bush, is a dense, thorny shrub in the rose family. Native to northern climates, hawthorn is one of the oldest medicinal plants in Europe with a rich history. In Celtic folklore, hawthorn was believed to mend a broken heart and protect your home from evil spirits. Recent studies suggest that hawthorn may support cardiovascular function and help maintain normal, healthy blood pressure levels.†
