*Daily Value not established.

Other Ingredients: Sorbitol, Xylitol, Natural Orange Flavor with other Natural Flavors, Soybean Oil, Stearic Acid, Monoglycerides and Diglycerides, Guar Gum, Silica, Citric Acid and Stevia Leaf Extract.

Discussion: B-Complex vitamins are a group of important water-soluble vitamins with similar functions in the body. B-Complex vitamins support healthy hair and skin, nerve impulse transmission, immune system function and red blood cell formation. They also work together to aid in the metabolism of carbohydrates, fats and proteins. Our great tasting chewables have been formulated with a mixture of natural sweeteners and flavors.[‡]
