

HIGH-STIM, GREAT PUMP, CLEAN FORMULA.

Now with 2x the Muscle Building Power as Protein and 4 Key Components for the Best Workout Ever!

1) ENERGY - STIMPHASE™ 4 unique forms of caffeine for extreme, sustained energy that will last for your entire workout.* **2) MENTAL FOCUS - NEUROSTIM™** Neuro-cognitive enhancing choline and Alpha GPC for laser focus.* **3) PUMP - NITROSTIM™** A more potent form of Citrulline Malate (2 to 1) than other pre-workouts for increased blood volume and insane veins that turn heads in the gym.* **4) MUSCLE POWER - ACTISYN™** More effective than standard protein because all 9 essential (and 4 conditionally essential) amino acids are dosed in a specific ratio designed for your body to build muscle. These amino acids are essential because they cannot be made by your body like other amino acids. If your body is lacking in any one of these EAAs, muscle building will be limited.*

WARNINGS: This product is to be used by adults only. Use only as directed. Take with meals. Ensure to drink enough fluid before, during, and after exercise. Consult a health care practitioner prior to use if you: are of childbearing age, pregnant or breastfeeding or have high blood pressure, kidney stones, glaucoma, and/or overactive bladder syndrome (detrusor instability) or are taking lithium. Consumption with other caffeine-containing products (e.g. medications, coffee, tea, colas, cocoa, guarana, maté) is not recommended. Consumption with natural health products (e.g. bitter orange extract, synephrine, octopamine, ephedra, or other drugs (e.g. ephedrine) which increase blood pressure is not recommended. Caffeine has been shown to reduce blood flow to the heart muscle during exercise which might lead to cardiovascular complications such as chest pain and irregular heartbeat, even in healthy individuals. If those symptoms occur discontinue use and consult a health care practitioner. This product is not intended as a substitute for sleep. Consult a health care practitioner prior to use if you are taking prescription medication as citrus bioflavonoids may alter the effectiveness of these medications. Do not use this product if you are taking antibiotics or nitroglycerin. Hypersensitivity/allergy is known to occur; in which case, discontinue use. KEEP OUT OF REACH OF CHILDREN. Store in a cool dry place. Do not use if inner seal is broken.
