

ABSOLUTELY NO FILLERS ADDED

Virastop 2X contains eight different proteolytic enzymes (digests protein), at twice the potency of original ViraStop for critical support during times of immune distress. This combination supports healthy immune function by breaking down cellular debris, undigested protein and toxins in the blood.*

Recommended Usage: For maintenance, 1 capsule, once a day, 1 hour before or 2 hours after a meal (empty stomach). For therapeutic purposes 1 capsule of Virastop 2X may be taken 3 times per day. More capsules may be added as needed.*

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
