Your kid's gut microbiome is unique.

Kyo-Dophilus® Kids Probiotic is safe, easy to take and great tasting. The three biocompatible human strains in Kids Probiotic, **The Friendly Trio®**, have been the subject of clinical studies that documented the efficacy of these strains to support healthy GI function.* Taken daily, Kids Probiotics can help replenish the good bacteria in the microbiome to protect kids from the effects of harmful bacteria.* A healthy digestive system can also provide a strong foundation for immune health.* Keeping your kids healthy can help keep the whole family feeling good!

The Kids Probiotic For Your Family

- ✓ To maintain good bowel regularity*
- ✓ Relieve occasional digestive discomfort*
- ✓ Promote healthy immune function*

Take one chewable tablet of Kyo-Dophilus Kids Probiotic with a meal every day to promote healthy GI and immune function to encourage general wellbeing.*

A Probiotic You Can Count On

Kyo-Dophilus® Probiotics are formulated to support healthy digestive and immune systems.* Our probiotics deliver efficacy, quality and extended live cell viability without refrigeration. **The Friendly Trio®** is the core of our formulations.

The Friendly Trio is a clinically studied proprietary blend of human strain *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2.

L. gasseri has been shown to support your body's GI function and immune health*

B. bifidum may regulate healthy gut flora and enhance immunity by reducing inflammation*

B. longum is known to normalize bowel movements*

Finding the right probiotic means considering more than CFU^{†††} counts. Choose a probiotic with strains that are diverse, compatible and able to survive stomach acid, to encourage implantation and rapid replication in your gut.

We offer a variety of formulas and potencies made with clinically proven strains to help meet your specific health needs.*

You can count on Kyo-Dophilus Probiotics
