Your gut microbiome is as unique as you are.

Kyo-Dophilus® Enzyme+ Probiotic contains four key digestive enzymes in combination with three biocompatible human strain probiotics, **The Friendly Trio®**. The powerful enzymes in this formulation assist the body's natural ability to break down proteins, fats, carbohydrates and dairy into absorbable nutritional elements.* The probiotic blend supports digestion by helping to regulate the healthy bacteria and normalize the GI system.*

The Enzyme+ Probiotic For You

- ✓ To aid in nutrient digestion*
- ✓ Relieve occasional digestive discomfort*
- ✓ Promote healthy immune function*

*Take two capsules of Kyo-Dophilus Enzyme+ Probiotic every day with a meal to aid in nutrient digestion and promote healthy gut function to encourage general wellbeing.**

A Probiotic You Can Count On

Kyo-Dophilus® Probiotics are formulated to support healthy digestive and immune systems.* Our probiotics deliver efficacy, quality and extended live cell viability without refrigeration. **The Friendly Trio®** is the core of our formulations.

The Friendly Trio is a clinically studied proprietary blend of human strain *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2.

L. gasseri has been shown to support your body's GI function and immune health*

B. bifidum may regulate healthy gut flora and enhance immunity by reducing inflammation*

B. longum is known to normalize bowel movements*

Finding the right probiotic means considering more than CFU^{†††} counts. Choose a probiotic with strains that are diverse, compatible and able to survive stomach acid, to encourage implantation and rapid replication in your gut.
