Herbal Dietary Supplement

NET 2 FL. OZ.
(60 ML)

Kyolic® Liquid Aged Garlic Extract™ (AGE) was created by Wakunaga in 1954 to provide nutritional support and improve overall health and wellness.

AGE starts with *organically grown garlic*. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable, beneficial compounds.*

Kyolic AGE's benefits have been documented in hundreds of peer-reviewed scientific papers.

• Cardiovascular Health:

AGE supports the cardiovascular system, healthy homocysteine, blood pressure and cholesterol levels already within normal ranges.*

• Immune System Health:

Kyolic AGE supports the body's natural immune defenses.*

• Detoxification:

Studies show that Aged Garlic Extract helps the liver to produce glutathione, the body's natural detoxifier.*
