

WAKUNAGA

Formula 110 combines Aged Garlic Extract™ and Coenzyme Q10, a potent antioxidant essential to healthy heart function and cellular energy.* Together they support overall cardiovascular health.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable, beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
