

WAKUNAGA

Formula 112 is a synergistic combination of Aged Garlic Extract™, Salacia, Bitter Melon, Chromium Picolinate and Niacin. This unique combination naturally promotes optimal blood sugar levels already within normal ranges, healthy weight management and overall cardiovascular and immune function.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
