

WAKUNAGA

Formula 114 combines organically grown Red Yeast Rice, Aged Garlic Extract™ (AGE) and Coenzyme Q10 (CoQ10). CoQ10 is a potent antioxidant essential to healthy heart function and cellular energy.* AGE supports overall heart health.* Red Yeast Rice has been traditionally used in Asia for centuries.

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
