

WAKUNAGA

Kyolic® Neuro-Logic®'s exclusive formula, designed by David Perlmutter MD, a board-certified neurologist, contains Aged Garlic Extract™ which has neuroprotective and neurotrophic effects.* Choline (from Lecithin), Ginkgo Biloba, Carnitine, Phosphatidylserine, Folic Acid, and Vitamin B12 may support neuron health and healthy brain function.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
