

ModuChol®

consists of Plant Sterol Esters to help reduce cholesterol levels.* Food containing at least 0.65g per serving of plant sterol esters, eaten two times a day, for a total intake of 1.3g, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease.

Taking two capsules daily of **ModuChol®** supplies 1.3g of plant sterol esters per day.

ModuChol® is a trademark of Purity Life Health Products LP.

Caution: Do not use if you are pregnant or breastfeeding.

Do not use if outer safety band or inner seal is broken or missing.

*** See above paragraph for information on plant sterol esters and heart disease. 21 C.F.R. § 101.83**
