Marshmallow Liquid Extract

Ingredients: distilled water, certified organic alcohol (23-33%) & Certified Organic Marshmallow extractives. **GLUTEN-FREE**

Fresh herb / menstruum ratio: 1 : 2.5

We prepare our Marshmallow Extract from fresh (undried) roots of *Althaea officinalis* plants which are **Certified Organically Grown** on our own farm.

To assure optimal extraction of Marshmallow's bioactive compounds, the roots are hand-dug in autumn or spring and are then taken directly to our laboratory and promptly extracted while still fresh and succulent.
