SUGGESTED USE:

Use 1-3 servings anytime of day to meet your daily protein requirements. On training days, consume before and/or after workouts to support muscle recovery, repair, and growth.

Directions: Add 1 scoop of **100% ISOLATE** to 6 oz of your favorite liquid such as water, skim milk or unsweetened almond milk. Stir with a spoon or shake in a cup for 15-20 seconds until protein powder fully dissolves.

Warning: Consult your physician before using this product if you have any pre-existing medical condition(s), are taking any medication, planning any medical procedure, contemplating pregnancy, are pregnant or nursing. Keep out of reach of children and pets.

This product is made in the USA with domestic and international ingredients in a (GMP) registered facility.
