*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Ingredients: Instantized Whey Protein Isolate, Natural and Artificial Flavor, Salt, Sucralose

Contains: Milk and Soy

SUGGESTED USE:

Take 1-3 servings anytime of day to meet your daily protein requirements. On training days, consume before and/or after workouts to support muscle recovery, repair, and growth.

Directions: Add 1 scoop of **100% ISOLATE** to 6 oz of your favorite liquid such as water, skim milk or unsweetened almond milk. Stir with a spoon or shake in a cup for 15-20 seconds until protein powder fully dissolves.

Warning: Consult your physician before using this product if you have any pre-existing medical condition(s), are taking any medication, planning any medical procedure, contemplating pregnancy, are pregnant or nursing. Keep out of reach of children and pets.

This product is made in the USA with domestic and international ingredients in a (GMP) registered facility.
