Keep Out of the Reach of Children

take 30 to 40 drops in a little water.

Two to four times per day

SHAKE WELL BEFORE USING

003

SUGGESTED USE

LIQUID HERBAL EXTRACT

MUIRA PUAMA

Ptychopetalum olacoides
Stem with Bark

HERBAL DIETARY SUPPLEMENT
1 Fluid Ounce (29.6 ml)

We prepare our Muira Puama Extract from the stem of *Ptychopetalum olacoides* shrubs which are **Custom Wildcrafted™** in their native wild habitat in the Amazon region of Brazil.

To assure optimal extraction of Muira Puama's bioactive compounds, the main stem (with bark) of the plant is hand-harvested and carefully sun-dried, and is then shipped directly to our laboratory for thorough extraction.

Our Muira Puama is never fumigated or irradiated.

Dry herb / menstruum ratio: 1 : 4

Contains **certified organic grain alcohol** (56-66%), distilled water & Muira Puama extractives.
