

SUGGESTED USAGE: Shake well. Take 2 drops daily, or as directed by your healthcare practitioner. Take directly or add to a beverage. Best taken with a fat-containing meal.

HOW IT WORKS: Vitamin D enhances the uptake of calcium from the diet, is necessary for bone and dental health, regulates healthy immune activity and supports healthy cell division.*

CAUTIONS/INTERACTIONS: Keep out of reach of children. Not intended for use in infants. For adults only. Vitamin D should be used cautiously by those taking cardiac glycosides and anyone with hypercalcemia. Vitamin D supplements may interact with atorvastatin and thiazide diuretics. If you are taking any of these prescription medications, consult your healthcare practitioner before using this product.
