

SUGGESTED USAGE: Take 1 capsule daily, preferably with a meal, or as directed by your healthcare practitioner.

HOW IT WORKS: Alpha-lipoic acid (ALA) is a versatile free radical scavenger that helps to maintain neural health by promoting nerve cell glutathione production, preserving optimal blood flow, and supporting normal nerve cell glucose utilization.* ALA may help to support the maintenance of healthy neural tissues, proper glucose metabolism, and normal cardiovascular function.* Bioperine® is a standardized pepper extract that is known to enhance the bioavailability of some nutrients.*

CAUTIONS/INTERACTIONS: Alpha-lipoic acid supplementation may interact with certain medications, especially anti-diabetes drugs. If you are taking any medications or if you are at risk for thiamin deficiency, or if you have a thyroid condition, consult your healthcare practitioner before using this product.
