

ABSOLUTELY NO FILLERS ADDED

Reduce™ was formulated to slow absorption of dietary sugars and enhance absorption of glucose into cells. Reduce contains a proprietary enzyme blend called **Glucoreductase™** and is clinically shown to support healthy blood sugar (glucose) regulation.*

Recommended Usage: Take 1 capsule at the beginning of any meal that may raise blood sugar (glucose). More may be taken as needed (up to 4 per meal). When taking 4 per meal, take 2 at the beginning of the meal and 2 mid-meal.

† Scientifically proven formula. Study summary is available at www.enzymedica.com/downloads.php.
