

SUGGESTED USE: As a dietary supplement, take two (2) vegetable capsules daily or as directed by your physician.

BENEFITS: Support Immune Function*
Promote Healthy Blood Sugars* • Reduce Inflammation*

WHAT IT IS: Resveratrol is a member of a group of plant compounds called polyphenols. These compounds are thought to have antioxidant properties, protecting the body against the negative effects related to oxidative stress. Resveratrol is found in the skin of red grapes, but other sources include peanuts and berries.*
