

Chained Reaction™ is powered by the scientifically proven 2:1:1 ratio of BCAA's - Leucine, Isoleucine and Valine. Chained Reaction™ is also fortified with an elite blend of well-established adaptogens with numerous beneficial effects.†

Suggested Use: As a dietary supplement, mix one (1) level scoop (10 grams) in 12 ounces of water and shake well, 1-3 times daily, (Depending on bodyweight, consume the following servings before and during your workout).

<150 lbs: 1 Scoop

**USE THE INCLUDED
SCOOP FOR ACCURATE
MEASUREMENT**

150-200 lbs: 2 Scoops

>200 lbs: 3 Scoops

Chained Reaction™ Supports The Following:

- Positive support for key neurotransmitters†
- Enhances focus, mood and stamina†
- Possesses anti-catabolic and anti-cortisol effects†
- Enhances nutrient utilization†
- Fights fatigue and stress†
- Enhances the immune system and recovery†

Unlike regular BCAAs, Chained Reaction's Alpha-Hydroxy protected BCAAs cannot increase your blood sugar (glucose). In short, you get what you pay for, without the extra fat.†
