

0 90800 00011 9

We prepare our Propolis Extract from the bee-collected resin known as Propolis. Honeybees harvest the crude resins from wild-growing trees, process it, and store it in their hives. The Propolis is then carefully collected from the honeybee hives and thoroughly extracted to produce this richly aromatic Propolis Extract.

007

LIQUID HERBAL EXTRACT

PROPOLIS

Resina propoli

Bee-Harvested Tree Resin

HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)
