

ABSOLUTELY NO FILLERS ADDED

Reduce™ was formulated to slow absorption of dietary sugars and enhance absorption of glucose into cells.* Reduce contains a proprietary enzyme blend called **GlucoReductase™** and is clinically shown to support healthy blood sugar (glucose) regulation.*

Recommended Usage: Take 1 capsule at the beginning of any meal that may raise blood sugar (glucose). More may be taken as needed (up to 4 per meal). When taking 4 per meal, take 2 at the beginning of the meal and 2 mid-meal.

*Scientifically proven formula. To request the study summary, please call 888.918.1118.
