

Rhubarb Liquid Extract

Ingredients: certified organic alcohol (70-76%), distilled water & Certified Organic Rhubarb extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 4

We prepare our Rhubarb Extract from the rhizome & root of *Rheum palmatum* plants which are **Certified Organically Grown**.

To assure optimal extraction of Rhubarb's bioactive compounds, the rootstock is harvested in autumn or spring, is deprived of its outer bark and carefully slow-dried, and is then thoroughly extracted.
