CONVENIENT MULTI COLLAGEN BLEND

Our hydrolyzed blend of collagens are sourced from
bovine, chicken, wild caught Atlantic Norwegian cod fish
and hydrolyzed natural eggshell membrane that offers
you a comprehensive inclusive blend of collagens that
include Types I, II, III, V & X.

WHY GET Types I, II, III, V & X of Collagen?

Each form of collagen has a different focus of support,
and all forms also work together for maximum benefits:

Type I - Fish & Marine Collagen

Most common form of collagen in the body, makes up
90% of hair, skin, nails, bones, ligaments, organs.

Type II - Chicken Collagen

Supports healthy joint function.*

Type III - Beef Collagen

Supports skin and bone health.*

Type V and X - Egg Shell Membrane Collagen

Supports healthy joint function.*

KEY INGREDIENTS

- **BiovaFlex®** - Cutting-edge, clinically studied,
exclusive hydrolyzed eggshell membrane collagen
- **BioPerine®** - Clinically studied for enhanced
absorption of nutrients*
- **Wild caught Atlantic Norwegian cod**
