

ABSOLUTELY NO FILLERS ADDED

Protein Optimize is ideal for individuals on a high protein regimen.* This formula is meant to reduce the digestive load and increase maximum nutrient availability. It is composed of a unique selection of protein digesting enzymes to increase availability of essential peptides and amino acids.*

Recommended Usage: One capsule per 20 grams of protein. More may be taken as needed or when recommended by your healthcare provider.*

Our exclusive Thera-blend™ enzymes are effective throughout the entire digestive system, thereby ensuring complete digestion. When formulated for therapeutic purposes, Thera-blend enzymes are customized for optimal performance throughout the entire body.
