

MUSCULAR ENERGY[†]

STRENGTH[†]

ENDURANCE[†]

UNIVERSITY PROVEN[†]

SUGGESTED USE

Consume 1-2 servings of Creatine daily, preferably before exercise and combined with Condense® and/or NOxygen®. Make sure you consume plenty of extra water as Creatine draws water into muscles.

WARNING: Consult a licensed healthcare practitioner before use. Do not use if you are currently pregnant, or nursing, have had or have a family history of heart disease, high blood pressure, stroke or any other disease, or using an MAOI, prescription drug, or over-the-counter drug. Discontinue use immediately if you experience any adverse reactions. Store in a cool, dry area away from direct sunlight.
