Skunk Cabbage Liquid Extract

Ingredients: certified organic alcohol (43-53%),
distilled water & Skunk Cabbage extractives.

GLUTEN-FREE

Dry herb / menstruum ratio: 1 : 5

We prepare our Skunk Cabbage Extract from
the rhizome & roots of *Symplocarpus foetidus*
plants which are **Sustainably Wildcrafted** in
their natural wild habitat.

To assure optimal extraction of Skunk
Cabbage's bioactive compounds, the rhizome
(with its roots) is hand-harvested in autumn or
spring, is carefully shade-dried to retain its full
flavor & aroma, and is then thoroughly
extracted.
