

What makes our Yucca extract so special.

With our special vacuum concentration process we evaporate away most of the juice's free liquid (at less than 110° F) which creates a thick juice concentrate that is rich in Yucca's saponin compounds.

CONTAINS NO ALCOHOL

Yucca Liquid Extract

WARNING: *This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.*

Please peel back label to learn more.

We perpare our Yucca concentrate from fresh juice of the inner trunk of wild *Yucca schidigera* plants which are Custom Wildcrafted™ in their wild high-desert habitat.

05
