Traditional Mild Anxiety and Sleeplessness

60 FILM COATED TABLETS

AUST L 457860

KEEP OUT OF REACH OF CHILDREN

Adult Dose: Take 2 tablets once or twice daily.

Indication: Contains Kava which is traditionally used in Pacific Island medicine as a calmative. Melissa and Passiflora are traditionally used in Western herbal medicine to relieve sleeplessness, symptoms of mild anxiety and support healthy sleeping patterns.

Warning: Large tablet. Swallow with a glass of water. Not for prolonged use. Not recommended for use by pregnant or lactating women. May harm the liver. Mineral and nutrient supplements should not replace a balanced diet. If symptoms persist, talk to your health professional.

Do not use if tamper evidence seal is broken. Bottle sealed under cap for your protection. Store below 30°C in a cool, dry place away from direct sunlight.
