

NEVER BIG ENOUGH™

Hollow points are a powerful and explosive unit of munitions that provide impactful results. This product is based around the same thought process: a straight forward yet highly effective solution that offers significant results in a compact, explosive package. With just two key ingredients included at or above their clinical servings, Hollow Point can help you achieve expansive yet explosive muscle growth. If you're looking for explosive muscle growth, add Hollow Point to your supplement ammo bag.†

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience adverse reaction to this product. Discontinue use 2 weeks prior to surgery. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Take 2 capsules daily with food.
